A Better Path

Child Advocates of Silicon Valley honored the San Jose Sharks Foundation at its Best of Motown fundraiser at Club Auto Sport in San Jose. More than 300 guests helped raise more than \$375,000 to benefit foster children in Santa Clara County. Child Advocates recruits, trains and supports Court Appointed Special Advocates who are matched with foster children to provide emotional and educational support, ensuring that each child's needs are met and their voice is heard while navigating the dependency system.
